PROFILE

I'm a spirited student at IIIT Hyderabad, diving into the world of Computer Science with a twist of creativity. Originally hailing from Bangalore, I carry with me the essence of Southern charm and the zest for exploration. At IIIT Hyderabad, I navigate the fusion of technology and imagination, driven by a passion for learning and a love for creative expression. Beyond the realm of algorithms, I find solace and joy behind the lens of my camera. Photography, to me, is an art of seizing fleeting moments, a captivating way to tell stories that would otherwise slip away.
